

SIDE LOT PROGRAM INFORMATION & APPLICATION

The Calhoun County Land Bank Authority's Side Lot Program offers vacant residential lots to adjacent homeowners, allowing them to extend their property and increase its value. The Side Lot Program has been in place since 2007 to aid in stabilizing neighborhoods, increasing property values, and putting vacant properties back onto the tax roll.

Program Background

The CCLBA collaborates closely with the Calhoun County Treasurer's Office to acquire, manage, and redevelop tax-reverted properties back into productive use. The CCLBA acquires these properties as vacant lots or removes blighted houses through its demolition programs, creating additional properties available through the Side Lot Program.

Program Purpose

The purchase of a residential vacant lot enables homeowners to expand their yard, increasing the overall value of their property and giving them space for additional improvements. It is also an efficient way to promote neighborhood stabilization and return these properties to the tax roll to benefit the entire community.

Homeowners purchasing adjoining residential vacant parcels may be able to claim a Principle Residence Exemption (PRE) on the purchased parcel; refer to your local assessor for PRE guidelines.

Program Qualifications

Applications will be reviewed by staff to determine compliance with CCLBA policies and procedures as well as existing plans and strategies for neighborhoods. Policy does not allow the CCLBA to sell property to applicants with delinquent property taxes or outstanding code violations on any of their properties. Applicants are required to submit a list of properties they own, or have an ownership interest, in for review as part of their application.

Application Submission

To apply for a residential side lot, please submit the Side Lot Program Application, CCLBA Applicant Certification Form, and all required attachments to the CCLBA. Complete applications will be processed as soon as possible, typically within 30 days. Incomplete applications will not be processed.

Please note that not all CCLBA vacant properties are available through the Side Lot Program due to other Land Bank activities.

For further questions or information, please contact the CCLBA at 269-781-0777.

QUIT CLAIM DEED TRANSFER INFORMATION

Unless other arrangements are made, properties sold through the residential Side Lot Program are transferred via Quit Claim Deed. This is not a Warranty Deed and, therefore, does not necessarily construe clear, insurable title. Side Lots must be kept separate from adjacent properties for a period of five years, after which a side lot may be combined with another parcel. The CCLBA recommends against combining if title insurance is not in place.

In certain circumstances, the CCLBA has the option to include a reverter clause in the Quit Claim Deed which would allow the CCLBA to reclaim the property and any improvements thereon should the new owner fail to maintain the property.
